## GROUND BREAKING CEREMONY!!!

# BOROUGH OF MOONACHIE MEMORIAL SERVICE FOR SEPTEMBER 11, 2001

On Sunday, September 11, 2016 the Borough of Moonachie held a September 11th Memorial Service in memory of the victims who lost their lives in the terrorist attacks against the United States of America. A large crowd of residents gathered together as Mayor Dennis Vaccaro led the ceremony with a welcome address. A heart felt invocation and benediction was given by Father Kenneth Reihl, Moonachie Fire Chaplin, followed by the Pledge of Allegiance led by Ethan Ciannamea and Franchesca Macalintal singing the National Anthem. Special guest speakers included NJ Assemblywoman Marlene Caride and Moonachie

Schools Superintendent / Principal Dr. Jonathan Ponds. The Moonachie Assistant Fire Chief William G. Hunt Jr. and Moonachie First Aid Squad Captain Frank Smith placed a wreath at the 9/11 Monument to honor the victims of 9/11. Councilman Bruce Surak then read the names those who are currently serving and have served in our armed forces. Franchesca Macalintal stunned the crowd with her beautiful rendition of "Hero" and "God Bless America". It was a beautiful ceremony remembering a tragic event that has forever changed our lives.

## LIBRARY CARDS 2017

Library cards are issued once a year, and are good for one year from the date of issue.

There is a limit of one card per household. Each household can pick which library they wish to belong to. The cost of the library card is based upon which library you chose to join. Each resident is responsible for 50% of the cost the Borough pays for the other 50%. The costs for each library are listed below:

Little Ferry Library  
Total cost \$100.00 Resident pays \$50.00

Wood-Ridge Library  
Total cost \$120.00 Resident pays \$60.00

Johnson Library  
Total cost \$125.00 Resident pays \$62.50

The library card is good only for the library that you choose. Please bring proof of residency and a check payable to the Borough of Moonachie.

## NO PARKING ON SNOW COVERED STREETS

This is the time of year that our police department is out writing tickets for cars left in the street overnight when it snows. Don't be the one who forgets to put the car in the driveway when a snowstorm is in the forecast. We must be able to get the snowplows close to the curb to avoid the problems of snow piled in the street where a car was parked. Moonachie's DPW takes pride in the job they do when the need arises and they cannot do a good job if there are cars parked on the roadway.

**To avoid a ticket:**

1. Listen to the weather before going to bed.
2. If snow is forecasted, find off-street parking.
3. If off-street parking is not an option, call the police for advice.  
Alternate parking locations on Borough property may be utilized with police permission until the street is cleared of snow.
4. Cars reported as disabled will be towed during a snow emergency.

The parking restriction remains in effect until after the snowfall has ceased and until the roads have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

8. Yard waste gets collected on Wednesdays. No plastic bags are allowed. Limbs must be cut into 4 foot lengths and tied.

# MEADOWLANDS YMCA 21ST CCLC

## A "COOL" YMCA SUMMER PROGRAM

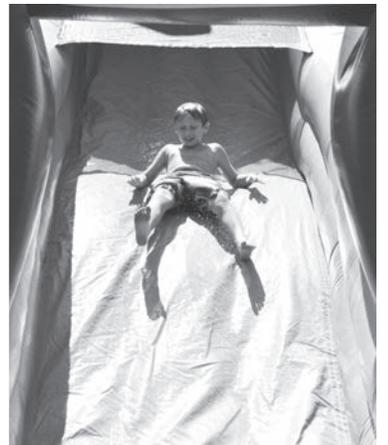

According to researchers all students experience some degree of learning loss when they do not engage in educational activities during the summer. Here at our free YMCA summer program we were able to provide a community based STEAM (science, technology, engineering, arts, and mathematics) educational program. It provided a significant and positive impact on our participating youth. Our summer program provided academic tutoring, stem art, healthy chefs, busy builders, nature & fitness walks, and sports activities. Hollyrock Entertainment engaged our children with a live TV brain challenge game show assembly. The children also experienced educational and exciting field trips to the Health Barn, Jenkinson's Aquarium at Point Pleasant, Ridgewood's Pinots Palette Painting, Le Gourmet Food Factory and Madame Tussauds Wax Museum in New York City. Also, on our last day Chef Carl visited and helped the students prepare healthy barbeque shish kabobs. Our program provided a meaningful and positive impact to our community.

# FAMILY FUN DAY 2016

On Sunday, August 9, 2016 Moonachie held the Fourth Annual Family Fun Day. Residents of all ages gathered at the Joseph Street Park and the Civic Center. The beautiful summer day was packed full of fun with waterslide inflatables, balloon art, DJ, hamburgers, hot dogs, and displays. It was wonderful to see so many Moonachie residents come together and enjoy themselves. A special thank you goes out to the Mayor and Council for making Family Fun Day possible for all the residents. We all look forward to next year for the Sixth Annual Family Fun Day.

# MOONACHIE SUMMER RECREATION

Moonachie Summer Recreation 2016 has finally finished up fun activities. Triple A of North Jersey's Otto the Auto was big hit too. Keansburg Water Park Medieval Times was a special trip that was full of good food. We held our annual Closing Day Celebration sponsored by Valley National Bank. Starbucks of Little Ferry donated coffee for the adults. Event staff provided hot dogs, and ice cream. Also participating in the closing day this year were the food and their own DJ provided by the Municipal Alliance. Thank you to the 2016 Moonachie Summer Recreation Staff for your hard work. Thank you to Recreation Director Matthew Vaccaro. Thank you to the Board of Directors for making it possible for all of the residents of Moonachie. We hope to see you at other Moonachie Recreation and Moonachie Municipal Alliance events.

# RECREATION 2016 COMES TO AN END

for the summer. The last weeks were full of fun and excitement. We brought in to teach about bicycle safety. Inline skating was refreshing on those really hot days and swimming was fun and fun! On the last day of recreation we had a picnic at National Bank and ShopRite of Hackensack. Activities included water activities, hamburgers, hot dogs and more. Near was the Moonachie Seniors who enjoyed their time at the Civic Center. Thank you to all of our staff and volunteers. This year's staff was headed by Assistant Director of Moonachie for making this program possible. Thank you all again next year and please look for more events throughout the coming school year.

## ROBERT L. CRAIG SCHOOL NEWS

We are extremely excited about the beginning of the school year. Our partnership with the YMCA has blossomed with the implementation of the new enrichment programs, such as 3D Printer classes. We have seen academic growth from this year's PARCC assessments. This is a wonderful beginning to our academic excellence.

Our teachers are extremely motivated and doing great work. In fact our teachers implemented a "Clap In" for the first day of school for our students. We are excited for this school year.

Sincerely,

Jonathan Ponds, Ed. D.  
Superintendent/Principal

### FIRST DAY OF SCHOOL

RLC staff provided an enthusiastic opportunity to get the year started right by a CLAP IN. The staff lined up on each side of the main doorways entrance and welcomed all nervous students as they walked into their first day of school. Instead of a mix of tension and optimism the children walked in feeling excited, comfortable and with smiling faces. What a great beginning to a wonderful new school year! WELCOME BACK RLC STAFF & CHILDREN!

### Mr. Knipper

Moonachie School District would like to introduce our new Director of Curriculum & Instruction, Mr. James Knipper. Mr. Knipper comes to us with a variety of experiences in leading schools, initiating change through positive initiatives, and an ability to coach teachers that results in higher student engagement and academic growth. Mr. Knipper was a teacher in the School District of Philadelphia for 5 years, teaching Social Studies and Math within a K-8 building. For an additional two years, he served as Dean of Students. Mr. Knipper led his school through the implementation of the School Wide Positive Behavior Intervention Support program. This program, where students are rewarded through a ticket based/prize system for

making positive decisions, following directions, and being respectful to each other (to name a few), dramatically changed the climate and culture of the school. For the past year, Mr. Knipper has been an Elementary Assistant Principal in Pennsylvania. Among many responsibilities, he was on the team tasked with creating and designing a new curriculum for the school. He holds a Master of Education in Curriculum & Instruction, as well as a Master of Education in School Administration. We are excited to have Mr. Knipper join our school and our community. Feel free to reach out to Mr. Knipper with any concerns or simply to say 'Welcome to Moonachie', at: [JKnipper@moonachieschool.org](mailto:JKnipper@moonachieschool.org).

# A Special Thanks!!

Mayor Dennis Vaccaro, Recreation Chairperson Kathy Kinsella, and the Staff of the Moonachie Summer Recreation 2016 would like to thank everyone who helped make this year's program a success. Special thanks goes out to Valley National Bank, which sponsored this year's Summer Recreation Program. Their generous donation paid for the Recreation T-Shirts and the Closing Day festivities. Thank you to Shop Rite of Hackensack for supplying food, soda, water, and paper products for our 4th of July BBQ and Closing Day Celebrations. Thank you also to Burger King, Starbucks of Little Ferry, CJ's Pizza, Ben's Bagel Barn, North Jersey AAA, Moonachie Fire Department, Police Department, First aid and Rescue Squad.

**Thank you and we look forward to working with you again next year!**

## Moonachie First Aid and Rescue Squad

### MEMBERS WANTED

The Moonachie First Aid & Rescue Squad is currently accepting applications for membership. The only requirement is that you must be at least fifteen years of age. No previous medical knowledge or practice is necessary; we will train you! Our Squad has not missed a call in ten years and we would like to continue this great achievement with your help. We have just begun a Junior Program (14-17 years) to give young teens an opportunity to volunteer in the community, in the medical field, and to expand our squad. If you are interested and/ or would like to know more, contact us. Don't hesitate, email us now!
