Report from Health Inspector Maria Schmitt

Isla Tropical finally got license. The new restaurant was okay, will go back and check in a month. Metropolitan had garbage complains, but it was cleaned up. She dropped off paperwork at the office for the pool license, and has not heard anything back yet.

K. Surak- asked about mold on the report.

Maria said that a case worker from the hospital had called about the resident, said they had mold. The mobile home is being rented from Metropolitan. They were offering to help the resident. She knew from Metropolitan that the resident was a hoarder from pictures. Maria did not go there, because she could deem it unfit, and then the resident would have to be moved to another residence.

C/Millar- spoke to the Council about it, and they would like two more quotes for the canvass. Asked if the Secretary could look into it before the next Council meeting. The Council would like to know if there are any other companies that provide this service.
